

Criterion 1 - Curricular Aspects

1.1 Curricular Planning and Implementation

1.1.1: The Institution ensures effective curriculum planning and delivery through a well-planned and documented process including Academic calendar and conduct of continuous internal Assessment

Response:

Millennium College of Arts, Commerce and Science, Nagpur was established in 2001 and is affiliated to Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur. The college started with 10 students but at present 127 students are studying in the college. This progress is possible because of the curricular and co-curricular achievements of the college. The institution ensures effective curriculum delivery through a well planned and documented process to achieve academic excellence. College follow the under graduate and post graduate curriculum provided by university. In strict accordance with academic calendar of Higher Education, to pursue the syllabus and academic calendar of university, college has formed departments, which make their own time table that includes regular classes, practical, class tests, assignments, presentations, seminars, activities and internal exam. The teachers religiously follow the time table with combination of conventional and making use of ICT teaching. The institution follows the academic calendar of RTM Nagpur University, Nagpur. The academic calendar includes regular classes, unit tests, assignments, projects, seminars, workshops, internal exams with co-curricular activities. Prior to the commencement of the academic year, the college prepares the academic calendar in coordination with Principals, HODs, and various committee members of college based on the University calendar. Time-table is framed by HOD's according to the workload of each subject as per prescribed university guidelines. Teachers strictly follow the academic calendar and time table for the delivery of effective curriculum. The teachers follow traditional as well as ICT based methods for teaching. Presentations are prepared by teachers to maintain effective teaching and learning process. Dedicated teachers take care of students regarding academic performance, scholarships, examinations and other problems. Continuous monitoring of the students is a part of internal assessment. Cultural committee of college organizes Fresher's party, farewell party, annual function and various cultural activities for the holistic development of students. Feedback is collected from students, analysed and suggestions for improvement of the teachers. Unit and class tests help in student's academic success. Internal examination, sessional examination, group discussions are conducted by the institution to evaluate teaching.

Planning for Academic calendar :

1. Preparation of Time Table.
2. Allotment of subjects to the Teachers.
3. Individual teachers time table preparation.
4. Allotment of Class Room

Execution of academic plan:

1. Class room teaching
2. Online teaching
3. Powerpoint presentation

Monitoring is done by Principal

1. Rounds during Classes
2. Interaction with students in regular basis
