

3.2: Innovation Ecosystem

3.2.1: Institution has created an ecosystem for innovations, Indian Knowledge System (IKS), including awareness about IPR, establishment of IPR cell, Incubation centre and other initiatives for the creation and transfer of knowledge/technology and the outcomes of the same are evident

The Millennium college provides friendly environment for innovation. Students are encouraged to actively involved learning the recent technologies for today's world demand. Awareness meets, workshops, seminars and guest lectures on Entrepreneurship are organized for each subject. The college creating awareness on marketing the products for commerce students. So that they get knowledge about the marketing and commerce related knowledge.

In the Indian Knowledge System, the students learn the rich cultural heritage of India through curriculum content. The students also motivated to celebrate nationally significant days, festivals and events. Indian knowledge system is the knowledge of spreading the rich heritage of our country and traditional knowledge in the field of Arts and literature, Agriculture, Basic Sciences, Engineering & Technology, Architecture, Management, Economics, etc. In the recent year, the NEP, 2020 is implemented in all the universities of India. The NEP tell us that the student must know the Indian culture and knows about an ancient and eternal Indian knowledge and thought as a guiding principle. "Knowledge of India" in this sense includes knowledge from ancient India and, its successes and challenges, and a sense of India's future aspirations specific to education, health, environment and indeed all aspects of life.

For enhancing learning experiences, the teachers adopt lecture method, interactive method, project and field work method, computer assisted method, experiment method etc. some teachers use power point presentations and computer-based materials. The teachers makes learning interactive with students by student participation in group discussion, quiz, news analysis, discussion and questions and answers on current affairs, etc. Group Learning method is implemented through whatsapp group. Student share notes and study material through the Whatsapp group.

A handwritten signature in black ink, appearing to read 'Kant', is positioned above the official title.
