

MILLENNIUM COLLEGE

ARTS, COMMERCE AND SCIENCE

7.1.1: Institution has initiated the Gender Audit and measures for the promotion of gender equity during the last five years. Describe the gender equity & sensitization in curricular and co-curricular activities, facilities for women on campus etc

Response:

The Millennium college promotes Gender equality through various initiatives and programs conducted every year for students in college. It also provides a safe environment for the students. The gender equality achieved by conducting various sensitization campaigns, trainings, and programs. College provided equal opportunities to women in everywhere college activities such as sports and various activities conducted in the college. Programs on 'Beti Bachao, Beti Padhao' were carried out by our college for generating awareness among the women students and surrounding society.

Safety and Security:

In Millennium college, safe and secured environment is provided to all students. Identity cards are provided to each staff and student which help to keep watch at entry level of premises. The internal complaint committee, redressal committee called 'Vishakha' committee and Anti-ragging committee are formed. College campus is totally secured with compound wall. Security Guards at the entry gate always keep check on the gate for entry and exit.

Common Room :

The Girls Common Room has been provided to the girl students with an attached washroom and other required facilities such as bed, relaxing chairs, lights, fans, mirror etc. The college has installed a sanitary napkin vending machine in the girls wash room. Separate Boy's common room is also provided.

Counselling:

The millennium college has monitoring system so that teacher always connected with the students. During admission, the teachers interact with the students and their parents. Mentor and mentee also allotted to each class. The mentor teacher guides class students reading academic and other related matter through counseling.

The mentors help students by one to one counseling and suggested for preparation of project work, how to use reference books, career opportunities suitable to their opted subject. Mentor not only guide their students regarding academic issue but also solve personal problems related to family issues, medical issues and so on.
