

### **7.3.1: Portray the performance of the Institution in one area distinctive to its priority and thrust**

Millennium College of Arts, Commerce and Science College, Nagpur is run by the Management of People's Progressive Education Society. The college is belonging Buddhist minority. The College committed to provide good educational, cultural, social and economic needs of the students from the minority and rural background. The motto of the Buddhist minority Millennium College is “बहुजन हिताय बहुजन सुखाय” “Bahujan Hitaya, Bahujan Sukhaya” meaning ‘Well being and Happiness of Masses.’ To empower the minority communities and creating an enabling environment for strengthening the underprivileged students, especially belonging to the Buddhist Minority, rural, tribal and backward areas to help them to improve the quality of their life, to increase social awareness and inculcate moral, social values and their all round development. The college provides an opportunity to every student to contribute to make the society in which they live a better place and to grow as better individuals. Starting with few basic courses at undergraduate level, now the institute has three undergraduate programmes in the Faculty of Humanities, Commerce and Management, Science and Technology.

Keeping in view the vision of college, the college management achieve the mission and goals to impart quality education to poor, backward class students and provided facilities for knowledge, information and advancement of culture. The Management, teaching staff and supporting staff have been working unitedly to achieve our objectives of building a knowledgeable society by effectively blending the quality teaching and employability. All the criteria and administration is effectively implemented through IQAC. The college organizes several programmes such as lectures, guest lecture, workshops, seminars, sports competition, activities under NSS units. Extension activities conducted in the college at a regular interval as well as in the surrounding areas. The college always ensures participation of students in such programmes of the college. So that students and local people can be sensitized to such issues. College provides quality education and opportunities to students as well as to local people for their intellectual and emotional growth through different programmes for needs of the rural and educationally backward society of this region of the Nagpur area.

As a special thrust, college gives priority to promote education to poor students of rural background. The students of the locality can't afford their education in the urban colleges, due

to several reasons basically financial. So, our college provides academic environment to those aspiring students of the rural area so that they can move ahead in their academic endeavour. Social development of students is done through the active NSS unit which undertakes various services to inculcate social values. Throughout the year, the NSS unit undertakes a number of events ranging from cleanliness drives, tree plantation drives, gender equity, field visits and many more. The NSS unit has also been was also a part of the campus and neighbourhood cleanliness drive which was successfully implemented in the campus.
